Invest Time With Advisor Calls

Every small business owner that uses silv=r™ to grow their small business has the opportunity to earn access to quarterly Advisor Calls based on their behavior. Our Advisors make themselves available and spend incredibly high impact 1:1 time with our global small business owners.

You Contribute

Do 1:1 Advisor Calls

Set your availability and support small business owners looking for guidance.

Collective Return

50X Economic Growth

Your time and expertise has a direct impact on the small business success rate in silv=r™.

Personal Return

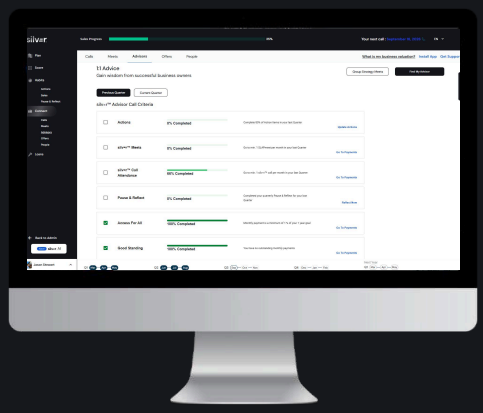

Shares In The Purpose Trust

You will receive shares in the Purpose Trust for every silv=r™ Advisor Call you complete.

We Are All Busy So It Is Critical That We Use Our Time To Make The Biggest Impact Possible.

When small business owners have access to Advisor Calls, they see a 50% increased success rate in hitting their goals. You can give that to them!

1. Choose the number of hours, dates, and times you are available to do 1:1 Advisor Calls with Silver small businesses.
2. Silver Lining sets up your Advisor profile in the back end of the silv=r™ Platform and customizes your availability, expertise, communication style, and preferences.
3. As small business owners qualify for an Advisor Call (based on their behavioral data in silv=r™), they will get matched to the best Advisor for their current reality.
4. When a small business chooses you for their Advisor Call you receive a calendar invite, automated Zoom link, and Call Brief so you can prepare for the call in under 5 minutes.

Shares are earned after you complete a short post-call update in the silv=r™ Platform
