Business Is The Most Powerful Tool For Justice & Silver Lining Is Inviting You Into Our Unique Future!

Invest in our Purpose Trust and create future wealth opportunities for your family or for the team members and small business owners at the center of our work.

1. Decide on the total amount of money you want to invest into Silver Lining's Purpose Trust.
2. Confirm if you will make a traditional investment for shares in the newly formed Purpose Trust entity or if you will make a philanthropic investment with your shares being allocated to increase community ownership.
3. Sign paperwork and track overall deal progress and your share allocation through the SHQ Advisor Portal.
4. Realize equity earned from your financial contribution as well as your time and connection contributions when the Purpose Trust transaction closes by early 2029.
